

Extended Day

It is our sincere desire that your association with us will be a happy and rewarding time for you and your child. We at the Extended School Day Program of Dallas Christian School realize that the children of today are the hope of tomorrow. Because of this realization, we are aware of the important role we play in your child's life. We therefore aim to make the time your child spends with us happy, informative, and peaceful. Regardless of race, ethnic, or religious background, all children are welcome to spend their precious days with us. We openly acknowledge Jesus as our Savior and God as our Creator.

This year your child will be enhancing their learning skills from special activities that have been arranged for each age group. Through the use of manipulatives, younger children will learn shapes and sizes, counting, grouping, classifying, matching, and problem solving. Manipulatives will help them concentrate and develop fine motor skills. All children will develop social skills and the ability to get along with others through dramatic play while using their imagination and creativity. In the art center, they will express themselves using creativity and develop good eye and hand coordination. Books will help our students learn many words, concepts and ideas as well as increase their vocabulary and improve their language skills. Snack Time will allow your child to socialize and interact with friends. It will enhance their social skills and language development. Group Time will teach them that they are part of a larger community. They will learn to listen to others, wait their turn and follow directions. Quiet Time will help them to learn how to control their emotions. Playing outdoors will let your child run and jump and scream and use their energy in a controlled environment. Pulling, throwing, and climbing will help them develop their large muscles, balance, and body coordination.

Charger Summer Camp Program

Our Charger Summer camp program will provide your child the chance to develop character, learn valuable life skills, develop a stronger relationship with God, make new friends, and discover new interests. At Dallas Christian Charger Summer Camp, our goal is to be the right place that will meet the needs of your child. Our program offers a variety of activities including field trips, outdoor recreation, arts and crafts, individual activities, team activities, and much more. Our summer camp program is capable of providing a fantastic summer experience.
